REGISTRATION TYPE (Tick all that apply.)  
DISPLAY :  DISPLAY & ASSISTANCE :

To give us time to allocate the pitch, confirm places and prepare your tickets, please send or phone with your details the Entry Form to us by 5th June 2010. If you are after this date, please apply DIRECT to the French CAR SHOW – [www.frenchcarshow.com](http://www.frenchcarshow.com)

All entries are dealt with as quickly as possible. Attendees will be notified in advance of their acceptance.

Registration entitles (subject to acceptance by the Organiser) entrants to:

- A space for their vehicle in the Renault Owners Clubs' exhibition area

Extra tickets are available on the day for foot and car visitors and it may be possible to join us on the stand. Each entry comes with 2 free person tickets. Adults £12.95 in advance or £14.00 on the day.

We also have sponsored an additional assessment for 'Useable Owners Renault'. All registered vehicles are eligible. The award will go to the vehicle considered to be the most pleasing. It does not need to be completely original as the award will be loosely based on distance driven to the event in the car, usage of the vehicle, originality (as in including parts it had fitted when it was built and restored rather than replaced) and how much the member assists on the day. The ROC is none competitive and hence makes awards on a basis that can't be competed for. The judges' decision is final. Non registered vehicles are not eligible and it is up to you if your car is judged.

I agree to the above conditions and would like to register my vehicle.
